

Education Center

Montana Law Enforcement Academy

Project Information

Total Project Cost:

\$3,785,479

Project Square Footage:

15,500 sq. ft.

Year Completed:

2010

Architect:

Think One Architects
Bozeman, Montana

Contractor:

Swank Enterprises
Valier, Montana

The new education center was designed to accommodate more practical, scenario-based training and integrate data and communication systems to enhance the learning environment.

In addition to the new education center, the required campus improvements included improvements to the existing roadways and pedestrian facilities throughout the campus, replacement of the existing campus fire alarm system and expansion/reconstruction of the on-site wastewater lagoon treatment system.

Montana Law Enforcement
Academy

Helena MT 59602

Completed in the summer of 2010, the new education center is a 15,500 sq. ft., two-story, state-of-the-art law enforcement training facility. The new facility provides five new classroom spaces, new student gathering and study spaces, a flexible training area, office/administrative space and a reception area with a gallery space to honor the service of all branches of law enforcement from the State of Montana.
