

# Addition & Renovation

## Montana Veterans' Home

### Project Information

**Total Project Cost:**

\$1,507,126

**Project Square Footage:**

6,502 Sq. Ft.

**Year Completed:**

2010

**Architect:**

DSA Architects  
Helena, Montana

**Contractor:**

Hammerquist Casalegno LLC  
Kalispell, Montana

The 40-bed nursing home wing was renovated and expanded to enlarge the existing activities and dining area, add three new resident rooms and relocate the nurses' station.

This project also included a major HVAC system replacement and upgrades at the main nursing home building including boiler replacement, temperature control installation and upgrades, ventilation and air conditioning improvements, and additional upgrades intended to increase occupant comfort and energy-efficiency improvements. In addition, roadway and parking improvements were made consisting of spot pavement removal and replacement, crack repair, and chip seal of the deteriorating main access road and additional paving of unpaved parking and access roads.
